FlexStyle® Battery

SMART SHADING WITHOUT WIRING

DRAPER® AT HOME

Choose from nine designer finishes or ready-to-paint primer grey.

■ **FlexStyle Battery** open roll shade adds a touch of luxury without the hassle of hardwiring. Offers a reloadable battery wand and narrower widths than are available with most rechargeable shades.

FEATURES

– Open roll shade available in single roller option.
– Easily programmable, utilizes Somfy RTS controls.
– Rechargeable battery wand, or rechargeable internal Li-ion battery.
– Product designed for interior use.

CHILD SAFETY NOTICE

This product is Certified Best for Kids™ by the Window Covering Safety Council.

OPTIONS

– Available with a rechargeable external battery wand or a rechargeable motor with an integrated lithium-ion battery.
– Designer cast aluminum mounting brackets conceal fasteners in 9 attractive finishes: Brushed Nickel, Brushed Gold, Antique Bronze, and Chrome come with a plated coating. Taupe, Grey, Black, White, and Warm White are painted. Or choose Primer Grey for hardware that is ready for you to paint.
– Choose from hundreds of fabrics in a variety of colors, textures, and opacities to customize any room décor.
– Shades can be customized with graphics, patterns, or custom color matches, including color matching libraries such as Sherwin-Williams® and Pantone®.

SIZES

– Accommodates a 2 ¾" (70 mm) bundle diameter.
– Minimum shade width is 2' (60.9 cm).
– Maximum shade width is 8' (2.4 m) or wider depending on fabric choice.
